

Professional Development/Training Registration Register For A Course Video Transcription

If the course has open seats and it looks like a course you are interested in you can click Register.

After clicking Register you will see a Course Details screen showing you the summary of the Name, Description, Section, Presenter(s), and the Meeting Times including the Start Date, Start Time, End Time and Meeting Type as well as the Course Location. To register for a course click the Enroll button. After SharePoint processes your request you will receive an email from the system notifying you that you have enrolled in the course. If the course is an online course in Blackboard you will receive a hyperlink within the email to <http://blackboard.heartland.edu>. To access the course click that link, log into Blackboard using your myHeartland credentials, and choose the course from the My Courses list along the right within Blackboard.

After you register the course will show up in your My Courses list in SharePoint.
