

8 Simple Rules for Computer Use at HCC

- 1) Do not eat or drink around the computers.
- 2) Do not install anything on the computer, including your own software or files from the Internet.
- 3) Do not deface or damage computer hardware or software.
- 4) Do not engage in activities that could slow down the college network.
- 5) Do not attempt to gain unauthorized access to the network.
- 6) Do not share personal information (such as names, e-mail addresses, or phone numbers) on the Web.
- 7) Do not surf the Internet for, or display materials that could be offensive to others.
- 8) ***Be responsible, be safe, and have fun!***

Community Education reserves the right to dismiss anyone who violates these 8 Simple Rules.
We appreciate your cooperation.
